AT IRON HORSE

YOUR NEEDS, YOUR VALUES, YOUR LIFE

RENDERINGS ARE ARTIST'S CONCEPT ONLY.

LIFESTYLE AND FAMILY ARE BEAUTIFULLY NURTURED IN THIS MASTERFULLY PLANNED CHILLIWACK COMMUNITY.

Your dream home – a place where family, lifestyle, and safety are favoured. Where innovative community planning creates an environment abundant with leafy greens and vibrant florals. Home is all of this and more at Iron Horse, a collection of rowhomes, ranchers, and single-family homes with legal suites and coach homes in Chilliwack's Vedder Crossing neighbourhood. Developed and built by Diverse Properties, known for creatively shaping Garrison Crossing and River's Edge.

As far back as locals can remember, the Iron Horse lands were home to pastures, where early residents rode and the adventurous broke wild horses.

On a portion of land donated to the Vedder Mountain Riding Club, a riding ring was built to host festive gymkhana events and introduce hundreds to the majestic beauty of horses.

LIFE IS GREEN,
COLOURFUL,
AND CALM

MEET FAMILIES, YOUNG COUPLES, AND GRANDPARENTS WITH VISITING GRANDKIDS. YOUR CIRCLE OF FRIENDS IS ALWAYS EXPANDING – THE MARKER OF A TRUE COMMUNITY.

The entry to Iron Horse hints at something special, with an elegant display of trees and plantings leading to a beautiful plaza. Homes front our signature greenlane — a curving green pathway with colourful plantings. Meandering streets are lined with clusters of trees and lush yards, and Iron Horse Park is a year-round gathering place. Over two acres of parkland create endless opportunities to bask outdoors. Thoughtful design dominates the landscape and encourages community.

FEEL THE WARMTH OF COMMUNITY.

Nestled in the southeast corner of Chilliwack's charming Iron Horse master-plan community, The Yearling by Diverse Properties cultivates connection and quality. Travel through Iron Horse's colourful landscape of homes and greenery to arrive at a welcoming collection of 86 condos with stunning mountain views offering studio, one and two bedrooms. Belong to a new community that has already become one of South Sardis' most desirable neighbourhoods.

Whether you choose to live or invest here, a home at The Yearling is a smart choice for today and tomorrow.

A BETTER QUALITY OF LIVING

Whichever home is the right fit for you, layouts are efficiently designed to maximize space. Continuing with our Modern Farmhouse design theme, interiors are fresh and bright, contemporary with a touch of tradition. Quality is key, with materials that are designed to last.

A variety of shops, services, and schools are within walking distance, and the many conveniences of award-winning Garrison Village are only a short drive or bike ride away. Here, you'll find an urban centre with a number of retail offerings, including a grocery store, a wine and liquor store, healthcare, and more. Recreation is everywhere and easy to get to. Walk, bike, or fish along the Vedder River; hike the rugged trails of Mount Cheam and Lindeman Lake; or spend a leisurely day at Cultus Lake's beaches, water slides, and attractions.

WITH EACH AMBITIOUS PROJECT, WE CONTINUE TO BUILD OUR PASSION FOR IMPROVING THE WAY PEOPLE LIVE.

Diverse Properties has played a part in reshaping life in Chilliwack. We have transformed the fabric of community at Garrison Crossing, having built over 70% of the homes and 100% of the retail space in Garrison Village, where shops, services, and residences define a community core with charming architecture and an intimate feel.

We have created neighbourhoods of innovation and elevated the standards of home with River's Edge — an expansive residential community beside the picturesque Vedder River. Here, greenlane pathways replace roadways, and colourful homes front meandering trails lined with flowers and lush plantings. The attention to detail that contributes to the creation of our communities exceeds the highest of expectations.

The owners of Diverse Properties have specialized in real estate development in the Fraser Valley since 1984, and are proud to bring you Iron Horse.
